OPEN WATER TROPHIES

Swimming Counties Manukau-FEMALE Open Water Trophy

Holley has had an outstanding swimming season as a 22-year-old in the sport! Her swimming keeps getting stronger through the hard work and dedication she is putting in consistently ever week she is in the water. Holley has only just found a love for open water swimming after competing at the 2019 NZ Open Water Championships were, she finished 5 th in the Open 2.5km, and 16 th in the 5km. Holley also Won the overall Huka Stream River Swim in 2019 and then again she backed it up and retained the title in 2020! Holley was an instrumental part of the PSC 2020 NZ Open Water Team this year Who won and took out Top NZ Club at NZ Open Water Championships. Holley won 2x 4x1km Relay Medals in both the Open Women's (Gold), and Open Mixed (Silver) (Swam 1km for each team!) this was after competing in the 5km NZ Open water event where she finished in 10 th overall, and the day Before that Holley finished 14 th in the 2.5km. Holley's new love for Open water swimming is sure to take off this 2020/2021 season. And we are all excited to see what she has to offer with her long-distance swimming in the near future!

WINNER IS HOLLEY HOGAN PUKEKOHE-CO

Swimming Counties Manukau-MALE Open Water Trophy

Keegan Neate is one of the hardest working athletes you will ever meet, and 2019/2020 has been a reflection of what this boy has put in since joining PSC. Not only was 2019 the year where he saw himself going from a Division 2 swimmer, to a National Age Group Silver Medallist. But his open water achievements and performances were instrumental to PSC success at the 2020 NZ Open Water Championships were the PSC Team won top NZ Open Water Club for 2020. Keegan won 2x Silver Medals in two relay performances which saw him step up and be a part of the PSC Men's Open Team in the 4x1km Relay Event. Keegan 2.5km and 5km results stood out as some of top performances swam by a PSC swimmer. In the 2.5km event Keegan came 6 th Overall and 4 th in the 15-17yr Age Group. And in the 5km 26 th Overall and 10 th in his 15-17yr Age Group! Keegan is looking at focusing on Open Water and long-distance freestyle events this year with a good chance on improving on last year's results.

ROSS ROBERTSON TROPHY – **"In the pursuit of excellence"**

This Swimmer has had a GREAT season with improvements and achievements and continues to excel this year

Again, as a Head Coach I am absolutely honoured to coach an athlete like Zac Dell

Zac Dell had an unreal start to his 2019 Swimming season as an 18 year old after being selected to represent New Zealand at the 2020 World University Games in Naples, Italy as well as represent them again at the 2020 FINA World Junior Championships in Budapest, Hungary, which saw Zac and Head Coach Mitch Nairn spend 2 Months in Europe racing and preparing between the events which were 3 weeks apart from each other. Zac qualified for the 50m/100m/200m Backstroke Events and both international competitions after several dominating performances at Zac's last NAGs in 2019, and a 1st ever Individual Medal at Opens 2019 in the 50m Backstroke gaining a Bronze next to his teammate and training partner Andrew Jeffcoat. World University Games was a massive eye-opening experience for Zac at what swimming against the best in the world looks like, and how world champions and professional athletes behave on pool deck to order to succeed at the top level of swimming consistently. Which he carried on working on in our Spain training camp to then perform well at World Juniors in Budapest in the 50m/100m Backstroke where he gained a 15th in the 100m Backstroke and 17th in the 50m Backstroke. Zac had gained all the confidence in the world after these two events, coming back to NZ and then racing at NZ Short Course just one month later were with Andrew, blew everyone away with his performances. Zac was the top point's scorer of the swimming meet and walked away with a total of 17 medals!! Age Group and Open (7x Gold, 7x Silvers, 3 Bronze Medals) and 2x NZ 18yr old NZ short course records in the 50m and 100m Backstroke (Both held by Daniel Bell) were he finished just behind teammate Andrew. It was an outstanding meet for Zac who alongside with Andrew both established themselves as ones to watch for the future. Zac then finished the 2019 Season competing at both the 2020 Queensland and Victorian State Championships which was his last 2x Swimming Meets as an Age Grouper! Were he picked up a Silver in the 100m Backstroke at Queensland State Championships, and then jumped on a plane to meet the PSC Team in Melbourne to then pick up Gold in the 100m Backstroke, Silver in the 200m Backstroke, and Bronze in the 200m Individual Medley. Zac was also part of the PSC NZ Open Water team at the start of 2020 where he brought in 2x Relay Medals and raced in the 2.5km and 5km events

WINNER IS ZAC DELL PUKEKOHE

Logan Family Trophy **To swimmers with special needs**

This Swimmer has had a GREAT season with great improvements and achievements.
Continues to excel this year

A young man by age but an outstanding advocate of our sport. Josh struts around the pool with swag and signals that beam 'future leader' of Para Swimming all around him. Josh is always polite and never shy of a word. Josh shows maturity years above his actual age regardless of the result he is always a pleasure to deal with and puts his team and fellow competitors first at the end of the race.

Watching Josh perform above and beyond his peers some being High Performance Carded athletes at NZ S/Course Champs last year was a sight, true kiwi old school Nothing beats hard work attitude collecting NZ Para Records, we all at HPK look forward to what the future holds for him in our sport of swimming.
Good Luck Champ Never Change

NEWMAN FAMILY TROPHY

The Most Improved Female Counties Manukau Swimmer 2019-20

This Swimmer has had a phenomenal season with great improvements and achievements

Kate had a blistering start to the 2019 season where she won Gold at the NZ Junior festival in the 200m Butterfly Event for 12yr old girls in a time of 2:40.44 (8.30 PB). She finished the meet also with 7x Top 10 finishes. This was just the beginning for Kate, she then went on to Division 2 championships down in Dunedin where she then made her 1 st NAGs time in the 200m Butterfly and also placed 2 nd in a 2:36.18 (a 4.26sec PB – From NZ Junior Festival) as well as picked up a bronze in the 100m Butterfly at the same event in a 1:09.68 (a 1.08sec PB). Kate was lucky enough to just turn 13 years before NAGS 2019 and swam in both the 100m and 200 Butterfly in this event down in Wellington where she made her very 1 st 2x NAG finals as a new 13yr old and finished with both 2x PBs in the finals as well as a 5 th Place in the 200m Butterfly 2:38.50 LC (Nearly as fast as what she Swam it short course 1 month ago. Kates biggest achievement though came at NZ Short Course 2020 (1 st NZSC) where she had time to make big improvements over a 5-month period after NAGS 2020. Kate won here 1 st ever National Title in the 100m Butterfly in an exciting race that came down to a Touch finish with all 3x Girls finishing in a 1:04. Kate won the event in a 1:04.81 (1sec PB). She lit the pool up with her Butterfly skills gaining another 2x Silver Medals in both the 50m Butterfly and the 200m Butterfly (again both outstanding personal best times). Kate has excelled immensely in her age group at all Counties Manukau swimming meets for both 2019/2020 and her lead in preparation would have seen her standout this year at NAGS 2020 if the Event was to go ahead. Kate has big goals for the future, and we are excited to see how she performs come NZSC 2020.

KEN PENNY BARBER SHOP TROPHY

The Most Improved Male Counties Manukau Swimmer 2019-20

This Swimmer has had a phenomenal season with great improvements and achievements

Thomas Murray, best known for his nicknames TJ or Tommy is one of the most exciting young backstroke prospects in the country at the moment. Thomas is lucky enough to be working alongside 2 of the best Backstrokes NZ has ever had at his home club PSC. 2019 was a Massive year for TJ his progress rate (PBs) dropping dramatically from 2018 which has seen him classed as a Swimming NZ Gold Standard Swimmer in his Age Group (15yrs). NAGs 2019 was where it all started for TJ, winning the Triple Crown in all three of the Backstroke Events for his age group (50m/100m/200m) with his 200m backstroke being the most impressive swim of the lot which gave TJ the Gold Standard 15yr old time (2:11.53). TJ also nearly broke the 1:00 minute mark in the 100m Backstroke which is no easy feat for a 14yr old Backstroker, and only a few have done so at his age. TJ was then selected for his 1 st NZ Swimming Team, as was to be a Part of the 2019 NZ States Team travelling to Australia to compete against the best swimmers in each state across Australia. Unfortunately TJ was unable to participate in this event, but was able to compete for the PSC Team at NZSC 2019 where again he took out the Triple Crown in his 15yr old age group for the Backstroke Events (50m/100m/200m) and made a statement making 3x OPEN A Finals in all three backstroke events alongside his team mates Andrew Jeffcoat and Zac Dell. TJ also finished the meet with (100% PBs) for his Age Group events. But it didn't stop there, TJ too was also lucky enough to make the PSC 2020 Victorian State Age Group Team to travel to Melbourne to compete with some of the best Australian swimmers in the country where he came away with 2x Silver Medals in both the 100m and 200m Backstroke events. TJ has been a standout regionally and has excelled immensely in his age group and open age at all Counties Manukau swimming meets for both 2019/2020 and his lead in preparation would have seen him standout this year at NAGS 2020 if The event was to go ahead. TJ has big goals for the future, and we are excited to see how he performs come NZSC 2020

VESETOLU SHIELD

This award is awarded annually to the Swimming Counties Manukau Junior Swimmer, 13-Under who shows the Most Improvement for the season

Olivia Wheeler has had a breakout year for the 2019/2020 Swimming season as a 12&; under athlete. Now that Olivia is 12yrs of age she now trains with the Pukekohe Senior Swimming Squad Program due to her performances in the last year. Olivia had 7x Top 3 placings at the 2019 NZ Junior Festival with a 100% PB Rate with all her swims as a 10&a ;under. This year now competing in the 11yr old age group in 2020, she finished up with 11 Top 3 placings out of 12x races (6x 1 st places) and again a massive 100% PB rate at this meet making huge dents into her previous personal best times. She has also qualified for National Ager Groups as a 13yr old girl for some of her events on top of this mighty achievement. Very recently Olivia Wheeler broke one of the longest outstanding counties age group records in the 1500m Freestyle in a time of 19:50.88 as an 11yr old, as well as taking out the 800m Freestyle record in 10:14.54. Olivia currently trains 7x a week with the PSC Squads and continues to grow and show more and more potential each day. She races with her heart and head and is one of the most focused/ determined 11yr old athletes I have ever meet in my current coaching career. She is always a pleasure to coach, and I am excited to unlock her full potential as she goes through her age group stage swimming her in Pukekohe.

Kate's biggest achievement though came at NZ Short Course 2019

(1 st NZSC) where she had time to make big improvements over a 5-month period after NAGS 2019 Kate won here 1 st ever National Title in the 100m Butterfly in and exciting race that came down to a touch finish with all 3x Girls finishing in a 1:04. COACHES AWARDS

REBECCA LINTON OLYMPIC TROPHY

Swimming Counties Manukau Coach of the year

Such a hard year for coaches with the cancellation of NZ Opens, NAGS and Div II, however this coach took Pukekohe Swimming Club to a level they have never seen before. With 3 swimmers on the Olympic Long List (Andrew Jeffcoat, Zac Dell and Australian based Michael Pickett), Mitch's coaching skills and passion for his swimmers and the sport is continuing to attract swimmers from outside the region, to join PSC. Mitch's presence pool deck is noticed not only throughout the Counties region, but also nationwide and his selection as part of the SNZ Coaching Team for the World University Games in Italy signifies his coaching skills and expertise is recognized at the highest level. Mitch was also asked to continue on with the coaching team attending Fina World Junior Championships, however chose to return to New Zealand ensuring he was available for his athlete's in the lead up into NZ Short Course.

Mitch has an extremely strong presence on pool deck and his enthusiasm and dedication to his swimmers is outstanding. This has without a doubt reflected in the results his swimmers have worked hard to achieve over the past year.

Mitch took a team of 25 swimmers to NZ Short Course in October 2019, where PSC finished 2nd overall (in age group points), behind the much larger team from North Shore Swimming Club. This was the largest team PSC has ever taken to NZ Short Course and the highest ranking achieved.

January saw a team of 21 travel to Taupo to compete in NZ Open Water. Mitch took many of the team out of their comfort zones with this being a first for many swimmers, competing in Open Water. With no open water specialists, PSC improved their 2nd overall placing in 2019, by taking top honours and 1st club overall. Mitch has also been invited to attend SNZ camps, which indicates his skills and expertise is very much valued, at the highest of levels and regular visits from SNZ to the club, recognizes the value SNZ see in Mitch and the athlete's he coaches.

Mitch's skills, dedication and enthusiasm is second to none. He continues to be one of the countries young up and coming coaches and is a deserving recipient of this award

MITCH NAIRN

PUKEKOHE

Swimming Counties Manukau Assistant / Junior Club Coach of the Year

Courtney is an amazing Coach and a wonderful asset to Papatoetoe Swim Club. Her coaching style is unique, yet simple. Work hard, but have fun too. As a former swimmer herself she is able to relate on a more personal note with her squad and is able to bring out the best of their full ability and potential. Her expectations in and out of the water are high, however it is that expectation that has helped them all succeed in the water.

VOLUNTEERS & OFFICIALS

MATT WILLOUGHBY-GRAHAM MEMORIAL TROPHY

Awarded to a member for outstanding service and efforts in a Technical Role.
This member has continued HIS outstanding service throughout the season

This recipient devotes endless hours as an official and regularly represents PSC and Counties Manukau at a Club, Regional and National Level. His work as part of the technical committee for PSC, allows both PSC as well as many other clubs within the region to benefit from his many years of experience and his wealth of knowledge. His guidance and assistance with facilitating regular workshops and practical training, largely contributes to Counties Manukau Officials being of an extremely high standard, which sees our region well represented through to national level. PSC feel extremely privileged to have Dave Beattie as part of our hardworking team and feel he is a deserving recipient of this award.

WINNER IS DAVE BEATTIE PUKEKOHE

THE BEHIND THE SCENES VOLUNTEER'S

To be awarded to an outstanding volunteer that does things behind the scenes that people don't see.

I witnessed the physical effort (a lot of sweat and pushing through the pain of a very sore back) of Cindy picking up the gazebos, bringing them on site, helping Papakura club do set up and then hauling them back in the van to deliver them back to Manukau after the Counties Anniversary Meet at Papakura. Most gazebos weighed around 80kgs each. On top of that she also officiated all day. When everyone else had gone home, she drove to Manukau with Nathan and unpacked the commercial size gazebos, and all the fold out chairs to drop off to the Council depot. She then drove to Papatoetoe pool to drop off other items that require storage by SCM in the gear shed at Papatoetoe pool and return more gazebos to the other sources on her way home. Not only was it physical, she personally sourced the gazebos from different places she also did the pickups of gazebos from various places the days leading up to the event. There was no cost to SCM for hireage of the gazebos. Her dedication to make it all come together was because she wanted to deliver a professional pool concourse with shelter for officials, to especially showcase the new SCM Board for their 1st event as a new board to the clubs and other regional clubs, in the hope to engage families to attend future outdoor SCM events.

WINNER IS CINDY HICKMOTT PUKEKOHE

CITIZENSHIP AWARD 2009

A be awarded to the Counties Manukau Member for their all-round Citizenship. This is outstanding service, leadership, responsibility, character and discipline.

The nominee displays service to his club in a variety of roles and is always willing to help at PSC club nights. He is professional and continues to upskill his technical qualification and didn't hesitate to receive training from PSC to enable a national qualification. Of the smaller clubs in the region, Anthony answered the call when SCM were seeking to appoint new board members. Taking on a role within the SCM board has created an increase to his workload of assisting his own club along with the added responsibility of leading the social media team, but to his credit he remains cool, calm and collected. Anthony supports PSC club nights, PSC fundraising and the requirement of poolside officials at our club events. Always willing to help for the benefit of all swimmers. Most recently due to the closing of the PSC training pool because of Covid-19, it was Anthony that approached PSC to offer assistance to our NZ Opens swimmers to use lane space at the pool where FAST trains so our swimmers were not disadvantaged. Anthony is an upstanding citizen of SCM who supports swimmers and clubs for the greater good of the sport.

WINNER IS ANTHONY CHANEY FAST

HUGH RICHARDS MEMORIAL TROPHY 2009

29th January 1952 - 25th January 2002

Awarded to a volunteer member for their outstanding service & contribution to the Swimming Counties Manukau Association.

This member has continued HER- outstanding service throughout the season

PSC is proud to have Sandra Sutcliffe at the helm of our technical team. This past year Sandra was selected by SNZ as a technical official for the 2019 Pacific Games in Samoa and the 2020 XIII Oceania Swimming Championships.

Her experience at international events is of great benefit to our club and region. She displays a very professional approach to her role to ensure we are always up to date with the rules, keeping the database current and facilitating training of our upcoming officials to a national standard. She sets the bar high and this is reflected in her attention to detail for officiating at club nights, regional and national meets.

Sandra has excellent planning, well in advance to ensure we have enough officials at our club nights to ratify the meets and devotes additional time to planning the technical needs for SCM regional events.

She is an excellent role model and we see through her some enduring friendships that have remained in place long after their swimmers have retired from the sport. She continues to support all swimmers through true dedication to our club, the SCM region and at national level.

PRESIDENTS TROPHY

To be awarded to the Swimming Counties Manukau Member who by their dedication, attitude, all round results and shown the best example to fellow swimmers and members.

As a Head Coach I am absolutely honoured to coach an athlete like Andrew Jeffcoat. Andrew has just recently in the last year joined PSC and the Counties Manukau region and has already brought in so much to offer to both the club and the region. Andrew commitment, mannerism, determination, focus, and heart bring so much hope into this sport that is swimming, which helps inspire an entire club and its swimmers. After losing his long-term coach/mentor/ friend Ken Nixon at Fairfield Swimming Club at the start of 2019 Andrew has grown into a young man that is determined to change this sport in New Zealand and show everyone that it doesn't matter how tall you are, how good your swimming facilities are, if you work hard and believe you are capable of greatness, and behave everyday like an Olympic athlete you will one day reach your full potential in the water. Andrew is one of the most current fastest progressing athletes in the water to date according to Swimming New Zealand. His rate of progression this year has seen massive leaps and bounds, and he has established himself as an Olympic athlete of the future for Swimming NZ. Andrew finished this year off only 0.70sec off the Olympic Qualifying time for the 200m Backstroke. And as his coach I can tell you now if NZ Opens went ahead this year he would have qualified for that event, I am that confident. Andrew is a key figure at PSC, he is the club captain, and has taken to the role with ease. Only wanting the best for the future athletes of this swimming team. He has run Backstroke Clinics to help his team and others, as well as stays latter after training with the younger athletes in the PSC senior squad to help them understand there strokes better, and start to learn how they can also start mastering there craft like he has done over the years he has spent in the water. Andrew results have stood out massively this season. It all started at Opens 2019 were Andrew claimed his first open national title in the 50m Backstroke in a new Counties Manukau recorded of 25.36 just off the current NZ record held by Daniel Bell Of 25.25. He also took silver in the 200m Backstroke in 2:00.41 (2.0sec PB). But this was all just the beginning as NZ Short Course 2019 was up next where Andrew along with his training partner Zac Dell were the standout athletes of the swimming meet for 2019. This was made even more impressive by Andrew as he was without a coach (Me) and training partner (Zac Dell) for 2 months well both of them were away swimming and coaching for NZ overseas. Andrew managed to bring in 8x National Open Medals (4x Golds, 3x Silvers, 1x Bronze) and 100% PBs, most notable his 50m Backstroke in a time of 23.94 seconds which is a time under FINA A Standard, and only 0.15 off the Open 50m NZR again held by Daniel Bell and a new Counties Manukau recorded. Two months later Andrew was named on the Swimming New Zealand Pathway to Podium Team to travel to Brisbane for the 2020 Queensland State Championship were he medalled in the 100m/200m Backstroke (2x Silvers), and was a part of the Swimming NZ Relay Team that collected Silver in the 4x50m Medley Relay just out touched by Japan! The highlight though for Andrew was his 200m Backstroke. With only a few people in New Zealand to have every broken the 2:00 mark for 200 Backstroke Andrew finished in a time of 1:58.51! Which lift him 0.70 off the 2020 Olympic Qualifying Time heading into Olympic Trials. One last hit out was needed overseas before Trials were to happen a month out were Andrew headed to Melbourne to Race at the 2020 Open Victoria State Championships were, he picked up medals again in the 50m/100m/200m Backstroke. Unfortunately, with Trials and the Olympics postponed Andrew is now back in the pool and focused on NZSC 2020 in October in hope to break as many NZ records as possible and in the process also make the 2020 FINA World Short Course Team to Abu Dhabi and then the Olympic Games in 2021. Andrew Jeffcoat is a worthy recipient of this award and we are all excited to see what he can do for the 2020/2021 season.
