## SCM Chairpersons AGM Report – 2019/20

### SCM Board Members 19/20

Debra Mahony (chair), Alastair Bates (vice-chair), Dave Beattie, Anthony Chaney, Emiel Logan, Ligi Asiata

Key achievements throughout the year:

Establishment and successful implementation of four sub-committees:

Events	Awards
Technical	Publicity and Communication

With the help of these sub-committees the website and rebranding has been refreshed. Policy development and updates have commenced and is a work in progress. Technical officials' development continues to see growth in our qualified officials that enthusiastically support the Clubs/Region/NZ. Our Regional swim meets were exceptionally well run with positive and constructive feedback received to improve on future events. Regrettably the dramatic COVID induced pause meant the Region had to cancel the St George Shield and Annual Prize-Giving, as well, most of the regions swimmers were unable to compete at their 2020 pinnacle meets which included the Olympic Trails. The Junior Festival managed to sneak in before the COVID restrictions and we are pleased to confirm our swimmers performed admirably.

The Board completed a submission to the Howick Local Board with respect to the planned Flat Bush Aquatic and Leisure Centre. Many thanks to Alastair Bates for driving the presentation which has resulted in the local council strongly supporting a 50m lap pool with 2m deep water. Final outcome is still some time away.

Results achieved by the members in our region are worth celebrating: International and National success, NZ Records, SNZ SC Opens saw two Clubs ranked top ten in NZ (HPK & PSC). SNZ Open Water saw PSC take top club honours. Junior Festival resulted in Papatoetoe achieving national winner status in the 51-100 swimmer category and Manurewa achieved 1<sup>st</sup> in the Harlequin zone in their category. The inability of SNZ to host Age Groups, Div2 and NZ Opens was devastating for our swimmers that had been preparing/training for months if not years. I have no doubt that if these events had gone ahead SCM swimmers would have made us proud.

My sincere thanks to everyone that has assisted the region with a special mention to Sandra Harnett our administrator who has steadfastly supported the Region and the Board over many years. We also have many wonderful volunteers, a number of which are long-term supporters that selflessly give of their time, energy and expertise. We cannot function successfully without them to lighten the load (and the cost). While it is pleasing to note the region is in a comfortable financial position, the coming seasons will be tough. Access to funding assistance will be limited if not impossible to source which may see the need to dip into reserves. As we now focus on the future, we need your help more than ever to ensure SCM continues to thrive and has the capacity to provide appropriate opportunities for all our members. With this in mind discussions have started with Swimming Waikato to see how the regions can work together smarter. We are looking forward to working with you over the course of this coming season and I wish you all every success as you strive to achieve your goals.

## **AWARDS SUB COMMITTEE 2019/20 AGM REPORT**

This Committee consisted of 3 Members, Nehu Loza, Rita Chan See, Jeannie Sibun plus Debbie Mahony, Board Member.

Unfortunately we were only able to hold one Meeting where the following positions were appointed. Nehu Loza, Catering Officer, Rita Chan See, Trophy Steward, Jeannie Sibun, Chairperson. Through the troublesome times, we, the Committee have kept in constant communication with each other. At this point of time I wish to thank all for their help and that owing to family commitments, the Awards Committee shall be looking for a Trophy Steward for the 2020/2021 Season. Both Nehu and I will stand for re-election of said Group. Part and parcel of the Trophy Steward's position is to ensure that we have enough Medals and Ribbons available for each Meet, plus organising of Annual Trophies to be returned then taken to Engravers to be engraved for current Recipients.

It was most disappointing this year as not all Clubs forwarded Nominations for the Special Awards. We could only review what we had received, so with the help of Debbie Mahony we decided on whom the Recipients were for the 2019/2020 Season.

As the Swimming Counties Manukau Service Awards Nominations have been called for, we have only received one Nomination at this point of time. Emails have been sent to the Clubs plus reminders. There are Members in Clubs who now meet the criteria for each Award. (They are noted when due on the Officials List that Sandra Harnett sends to each Club regularly.)

## Events Sub-Committee 2019/2020 AGM Report

Sub-committee formed and first met in Oct 2019 – tasked with creating & running upcoming SCM regional events and to assist any club with meets as required. SC to start with SCM Anniversary Meet in Dec then Age Group Champs in January. Jo Clare appointed as Sub-Committee Chair by Board Member Ligi Asiata and agreed by ESC members Sarah, Cindy, Rhonda, Minoo & Geoff (resigned from ESC in January).

1. SCM Junior SC Champs – Oct 2019  
Not run by ESC – was already in place due to timing.  
Results:  
18 Teams  
194 Swimmers  
920 Entries
2. Anniversary Meet - Dec 2019  
Meet feedback from some clubs was fantastic – couple of small issues that arose which were either dealt with as they occurred or shortly after the meet was held – mainly around organizational points and a H&S incident at the end of the meet.  
Cindy sourced Council Gazebo's and seats for use – and a vehicle to move all required equipment from PPT to PPK.  
Duty Clubs – PPK & MRE  
Results:  
15 Teams  
186 Swimmers  
733 Entries
3. Age Group Champs - Jan 2020  
Decision was made to move food area away from pool side decking and exit doors to comply with H&S regs from PPT pool. Updated site map sent to all clubs. A new speaker was purchased for the starting system. New laptop purchased and Meet Manager uploaded. Meet set up imported from Geoff's system to new laptop to run results. Issue arose at meet with cables not working with old Colorado timing system. Minoo tasked with sourcing new cable for laptop-Colorado connection. Rhonda worked AOD with Minoo to gain experience. Complaint regarding printing of relays on prog – Grand relay only showed first 4 names not the whole team – PPT missed sending enough swimmers causing DQ.  
Duty Clubs – PPT, FST, PUK, HPK  
Results:  
22 Teams – 2 International  
311 Swimmers  
1780 Entries
4. St Georges Meet – June 2020  
Cancelled due to COVID-19

5. Winter & Dolphin Leagues  
Feedback from coaches meeting to see a different type of event format offered – minimum 2 development meets like a level 3 meet (results not approved ok), 2-3 hours long, 25/50/100 m races, training ground for new swimmers and officials, maybe fun relays at end.  
Discussions held around timing – mid-winter/not on a Rugby night/5pm starts – everything shelved for 2020 with the disruption of COVID-19. To be reviewed for 2020/2021 year.
6. SCM Junior Festival – Oct 2020  
Venue @ Dio School. No food allowed on pool deck – SCM has now adopted a snack bag food policy - no shared food trays. Own water bottles to be supplied by officials and topped up when required.  
MEDALS – PROPOSED CHANGE that medals will not be used at this meet – only time buster ribbons – changing from CHAMPS to Festival – juniors have medals at Age Group Champs. TBC at Board Meeting
7. Anniversary Meet - 2020  
Pool bookings have been cancelled – there are too many clashes with AK meets & unable to secure dates at Waterworld in Waikato to suit – especially now with meets being changed around by other regions after COVID. Decision to not run Anniversary this coming season has been made.
8. SCM Long Distance Champs – Feb 2021  
Proposal to be voted on – have an integrated SCM LD meet series – swimmers must swim at these meets to qualify for SCM results – clubs can use as their own LD champs but if they run a separate meet to this – those times will not be eligible for SCM LD Champs results. Request for pool booking availability has been made – confirmation of venues TBC after further discussions and SCM Board agreement.
9. Sarah Menzies tendered her resignation from SCM Events SC in May 2020 due to changes in her work and PSC commitments. Reply sent thanking her for her contribution. Cindy Hickmott's son has also retired from swimming but Cindy is happy to stay on ESC at this time.
10. Equipment Wish List – for upcoming season  
Upgrade existing white tents to 30 Ezi-up gazebos: 18 start/refs/8 turn/4 Marshalling  
80 Chairs – interconnectable with no arms  
3 Trestle tables – 2 large, 1 small for refs area  
Portable barriers – tiger tails that loop over cones to block off no-go areas  
Timing Button Holders – have sourced and collected from AK Swimming – some repairs may be required if want to use sets at both ends of pool.

Medal supply & budget to be discussed – inc SCM Juniors in Oct.  
Pool hire costs/budgets to be discussed.

## **Technical Report 2019/20**

A delayed start of the season as a new setup of sub-committees was implemented and a shortened year that was unpredicted.

We started with 2 IOT forums which had an excellent response that showed there were parents interested in progressing to be officials and understanding the rules, new or doing a refresher course. They then followed up doing a couple of swim meets.

With our Counties regional meets, a great turn out of officials that made these a great success. This proves we can produce a high level of officials that can step into National events without any hesitation.

A thank you goes out to all of our officials, volunteers and those that are behind the scenes for your time and involvement.

Thanks to Dave Beattie for the work in developing the new forms for meet documentations, procedures, health and safety etc.

Thanks also goes to Sandra Sutcliffe for taking on the Technical director's role for the CSM Anniversary and Age group meets and training Marta and Jude which is not an easy position to do.

Looking forward it will be another challenge for all involved and we can carry on with helping our swimmers achieve their goals.

Recorders/Registrars-You have a huge job keep everything up to date and entries done,  
Hope you all have members now using SNZ to do their own entries and renew their registrations will make all your jobs much easier.

Please advise all members to sign up to SNZ and start doing their own entries, you are all doing a great job.

For any of you standing down this season thanks for your help with the registrations and sending you're TM Backup Files and member updates.

Our Numbers are down on last season numbers, the club swimmers are the main reason on the records we have lost a lot of club swimmers or they haven't been registered on SNZ Database.

All other numbers are very similar to last season.

We have had a lot of Transfers in and out of Region this past season and lots of interclub transfers
