MESSAGE FROM THE SCM BOARD

Hi everybody,

This year has started with a hiss and a roar, but as you are all well aware - things have been brought to an abrupt halt due to the threat of COVID-19. At times like this we realise that there is a lot in life that to be grateful for, such as our health and wellbeing. As a Board we would like to pass on our thoughts and prayers with you all, and please remember to stay informed throughout by checking in at our website for updates.

Stay safe everybody!

Swimming Counties Manukau Board

Inter Regional Collaboration

Some exciting developments are in the pipeline currently between Swimming Counties Manukau and our regional neighbours. Discussions are currently underway between the regions covering off a number of items such as Inter-Regional Meets (that's right - it's representative time!) and opportunities such as our Coaches and Officials working together to ensure that our Region is up there with the best in the country. As more information comes to light this will be shared with you all, so keep your eyes peeled!!!
