

## Warm up procedure – 8 Lane Pool

Updated – January 2020

- Swimmers, coaches and Team Managers **MUST** follow instructions of the Warm-Up Procedure during the warm-up period.
- The warm-up is reserved for competitors taking part in the Competition.
- Feet first entry only unless using a sprint/dive lane.
- Swimmers to swim **CLOCKWISE** in both odd numbered and even numbered as shown in the diagrams below.
- An announcement will be made at the completion of the warm-up group session.
- At this time swimmers are to clear the pool immediately.

**NB: The Technical Director has the right to change the lane allocation if required.**
